THE ASSASSIN'S FATE.

Attorney-General Brewster Reports Adversely on His Case—The Cabinet Coincides—The Assassin's Threat.

[By Telegram to the Sentinel.]

WASHINGTON, June 24.—The attorney general, to whom all appeals and petitions presented to the president, bearing on the Guiteau case, had been referred, submitted an elaborate report to the cabinet last evening, reviewing all points presented in favor of a respite, recommending it be not granted, on the grounds that the sanity of the prisoner had been fully established at the trial. Report was generally discussed and unanimously approved by the cabinet. All the members of which were present. An understanding was reached that nothing should be disclosed as to the decision of the cabinet until after it should be made known to the prisoner. Rev. Mr. Hicks called upon the attorney general this morning, by appointment, and was informed that the cabinet had decided not to interfere with the execution of Guiteau's sentence. Hicks thereupon drove to the district jail and informed Guiteau of the decision. Guiteau has sent the following message to his spiritual adviser: "Rev. Mr. Hicks—Go and see Arthur and shake your fist in his face. Tell him I made him President by my inspiration and he must give me an unconditional pardon, and if he does not, God Almighty will blast him forever. I tell you, brother Hicks, I am God's man and God takes care of his own."

Friends of the condemned man still hope. Reed says he does not despair and he will make another appeal to the president at the earliest opportunity. WASHINGTON, June 24.—The cabinet has decided not to interfere with the sentence of Guiteau and the attorney general this forenoon instructed the marshal of the district and warden of the jail to keep prisoner in strict confinement and allow no one to see him except his spiritual advisers, his physicians and officers of the jail.

Serious Strike at Jersey City. [By Telegram to the Sentinel.] JERSEY CITY, June 24.—A large body of strikers visited the yards of the Pennsylvania railroad and New York, Lake Erie and Western and compelled all men to cease work and join in the strike or else go to their homes. Trains were stopped and men forced therefrom. Police are now forming to face the strikers and compel them to surrender. The worst is feared. Three hundred extra policemen were sworn in by the Pennsylvania company this afternoon.

The Hillsdale Crew. [By Cable to the Sentinel.] LONDON, June 24.—The Hillsdale crew are staying at Hammermith. They have accepted the invitation of the North London Rowing club to use their boat house. The Hillsdale took a short spin on the river yesterday. They will make their first appearance at the Marlow regatta, July 8. Bell's Life says that as the other competing crews will be fatigued from their races at the Henly regatta, the Hillsdale should be able to carry all before them.

A Kokomo correspondent writes to the Indianapolis Sentinel as follows: "We are having some stir politically just now. The 'Joys' have begun agitating around to see who Howard had better cast his vote for at the coming convention. So far as heard from I believe she will cast her vote

for John J. Cooper, of Marion, for treasurer of state; Hon. James H. Rice, of Frankfort, for auditor of state; Hon. David Turpie for attorney-general, and Hon. Allen Zollars, of Fort Wayne, for judge of the supreme court (Judge Worden's district.) Mr. Zollars is just the man to take the place of that able jurist, Judge Worden. Mr. Zollars is a very scholarly gentleman, a splendid lawyer and a "true blue" life long democrat, and if elected would be an honor to the profession as well as the state and his party. Give us Zollars if you please."

FOSTER'S FUNERAL.

The Dead Senator to be Buried by the Odd Fellows and Masons.

Yesterday afternoon, the remains of the unfortunate journalist, Hon. T. J. Foster, were removed from his late residence to the undertaking establishment of L. Peltier & Son. In the evening, there were special meetings called of Harmony lodge, I. O. O. F., Home lodge, F. and A. M., and S. S. Bass Post, G. A. R., the latter adopting appropriate resolutions as follows:

Resolved, That we recognize his many brave and genial qualities as a soldier and friend, and deeply regret his untimely end.

Resolved, That we extend our heartfelt sympathy to the bereaved widow and orphan in this their hour of darkness and affliction, we command them to the tender mercies of the Supreme Commander the Father of all—and to the kind remembrance and sympathies of all surviving comrades—and further be it

Resolved, That these resolutions be printed in each of the city papers, and a copy forwarded to the widow of the deceased.

ALLAN H. DOUGLASS, } Com. JOEL M. SLYMON, } JOSEPH LOMBARD, }

Committees were appointed by Harmony lodge to confer with the relatives of deceased regarding the funeral. Home lodge also appointed committees, and this afternoon amicable arrangements were completed between the Masons and Odd Fellows to unite in the conduct of the funeral ceremonies, which occur at 4 o'clock tomorrow afternoon from the house, on East Berry street, Rev. Dr. Moffat officiating. The interment will take place in Lindenwood and the cortege will be headed by the West End band. Arrangements have been made to sprinkle the road to Lindenwood, and the expenses of the funeral will be borne jointly by the two lodges. At this writing the press of the city had taken no formal action regarding the death of their late brother.

JOINT SENATORIAL CONVENTION.

Hon. Eli W. Brown, of Whitley, Nominated—Meeting of the Democratic Central Committee.

This afternoon at 1:30 o'clock, the joint senatorial convention met at the circuit court room pursuant to call. The convention was called to order by Hon. M. V. B. Spencer, chairman of the senatorial committee, and on motion he was elected chairman of the convention. James Harrison, clerk of Whitley county, was made secretary, and E. B. Smith, of the city, and Mr. Adams, of Whitley, were appointed tellers.

Nominations for joint senator being in order, Mr. Henry Colerick nominated Col. I. B. McDonald, who withdrew his name. James Harrison, of Whitley, nominated Hon. Eli W. Brown, of Columbia City. Mr. Henry Colerick nominated Dr. F. M. Majors, of Churubusco. The ballot resulted as follows: Brown, 41; Majors, 9. Mr. Brown was declared the nominee. The convention then adjourned.

COUNTY CENTRAL COMMITTEE. A meeting of the county central committee convened immediately after in the criminal court room. Col. C. A. Zollinger was called to the chair, and Louis Fox was made secretary. The roll call found all the members of the committee present except five. On motion of E. B. Smith, permanent officers of the committee were nominated by acclamation. Col. C. A. Zollinger nominated as chairman and elected. Louis Fox was nominated by W. S. Wickliffe for secretary but declined. J. B. Neizer, of Monroeville, nominated J. W. Vordermark, who was elected. G. W. Hand was nominated for treasurer by Dr. Smith, of Madison, but declined in a humorous speech. Captain Smith nominated F. C. Bolts, who was elected.

Mr. Montgomery Hamilton submitted the following resolution, adopted by a committee of twenty, of which he was chairman: WHEREAS, It is essential to the success of the democratic ticket in the coming election that there should be perfect organization; and whereas, in certain precincts there have been no duly authorized persons appointed to perfect the party organization or look to its successful management; therefore be it

Resolved, That the following persons be and they are hereby recommended to the county central committee for recognition as members of said committee omitted precincts: First ward, Charles Reese; Second ward, Geo. Strodel; Third ward, A. Wolf; Fourth ward, Fred Meyers; Fifth ward, Michael Miller; Sixth ward, R. Zoeller; Seventh ward, Geo. Alter; Eighth ward, Wm. Doehman; Ninth ward, Charles Pape; Wayne township, A. Ormiston.

A motion was made to table. Messrs. C. Hettler, G. W. Hand, Wm. Miller and others discussed the resolution with some spirit, Mr. Hand earnestly opposing it. The roll was called to adopt or reject:

All committeemen present from the townships voted nay, and all the ward committeemen aye. The vote stood 18 to 9. The original motion to lay on the table was carried by a vote of 18 to 9.

Mr. Henry Colerick presented the following communication to the committee.

To the democratic committee of Allen county. I respectfully ask of the democratic central committee that the matter of the alleged nomination of D. M. Allen, as surveyor be examined into, as I claim that I am the regularly nominated democratic candidate for county surveyor, and as such, my friends will consider me. Therefore to save trouble and to create harmony, I ask that the committee fix an early day to hear and determine the question between Mr. Allen and myself.

J. S. GOSHORN. At this juncture, everybody but the members of the committee were cleared from the room, and a secret session ensued.

Guiteau.

The execution of Charles J. Guiteau will take place on Friday, June 30th.

The Cincinnati Enquirer of June 29th and 30th will contain some very interesting matter concerning the last days of the assassin. On July 1st the Enquirer will publish the best and most complete report of any western journal of the execution. Anticipating a big demand for the papers of these dates, we have ordered immense quantities and can fill all orders by mail or otherwise. The Enquirer reaches our city an hour before Chicago papers.

A Word in Regard to Self-styled Manufacturers.

It is common to read in almost any clothing advertisement, no matter how diminutive the dealer, the statement that he is a manufacturer, or his stock is made to his order, and therefore he is able to retail at wholesale prices.

Small manufacturers, except in specialties, have long since been crowded from the field. There is but one class of wholesale manufacturers in this country to-day, and they are the close of this age. Their establishments represent fortunes in their equipments. Wholesale manufacturers, in this age of progress, to compete with each other, must be supplied with all the machinery of the present time—steam cutters, steam spongers, steam pressing machines, steam sewing and steam button-hole machines. This represents a fortune in itself. It then requires a small army to feed this vast mechanism, furnishing annual employment to thousands of operatives, to which annex the capital necessary to completely stock with material and fabric, oftentimes consuming the entire product of extensive woolen mills, and you have the reason why a small manufacturer cannot compete, except on paper, with those mammoth firms that have raised the standard of ready made clothing from its crude and imperfect make up of a dozen years ago.

Our factory at Utica contains every economy and labor saving invention of the age, which could not be maintained except by vast outlet throughout almost every Northern State, facilities which small dealers do not possess, and without which they cannot compete. We boldly make the assertion that there is no clothing manufacturer in this city except that of OWEN, PIXLEY & CO.

It is very difficult, in fact impossible, to give accurate descriptions of clothing except in a general way, which is much like describing how a certain article of food tastes. It cannot be done satisfactorily. The food must be tasted, and the garment must be seen, to be fully appreciated. In this column we give, in round numbers, the number of suits upon our counters in the various departments, a greater number, probably, than can be found in any half dozen competitive stores in the city. The question of variety from which to make a selection is so important that no argument is needed to convince any one that those large stores where the greatest varieties are exhibited are the best places to make purchases. These great varieties mean vast combinations in colorings, designs and shapes. Add to this the fact that we manufacture all our clothing, and retail strictly at New York jobbing prices, and you have the argument why you should visit OWEN, PIXLEY & Co. for your clothing. Come in, and afterward form your own conclusion from personal inspection.

COLLARS AND CUFFS.

The best qualities of linen collars and cuffs made 4 and 5-ply in the latest styles we sell for 12 1/2 cents each for collars, and 25 cents per pair for cuffs.

PANTALOONS

The best is none too good for us. We have the celebrated Globe Mills caseimere made up into spring and summer pantaloons. The patterns are of the most handsome styles the mills make. Your tailor would charge you from \$10 to \$16 for the same. Our prices are 100 per cent. less.

We are the only wholesale dealers to the retail trade. We have 2,500 Men's Suits, \$4.50 to \$25. 1,200 Men's Vests, 85 cents to \$3.50. 1,500 Youth's Suits \$4.50 to \$22. 600 Youth's Pants, 65 cents to \$6.50. 200 Youth's Vests, 75 cents to \$2. 1,800 Boy's Suits, \$3.50 to \$18. 300 Boy's Pants, 65 cents to \$4.50. 150 Boy's Vests, 25 cents to \$1.25. 1,400 Children's Suits, \$1.50 to \$11.50. 150 Children's Pants, 75 cents to \$2.

White Shirts!

If perfection in fit has ever been attained in shirts, it certainly has been by us, for of the thousands of these goods sold we have no complaint although a guarantee goes with every one from our 75 cent shirt to the best for \$2. We agree to fit or refund the money.

THE CITY.

The fair will close on Tuesday evening.

Dr. Walter Langtry was at Huntertown to day.

Gottlieb Lamle has sold one of his farms in Lake township.

The colored camp meeting at the fair grounds will close on Monday.

There was no police court this morning. It's too hot for the bad man to engage in crime.

There is a report that ex-Chief of Police Smith will endeavor to purchase the Journal property.

Dr. and Mrs. G. T. Bruebach returned to the city this morning after several days' sojourn at Put-in-Bay.

Theodore Stanley, advance agent of Professor Leono, magician, is in the city. The "professor" may show here.

The Concordia college boys had their annual turn-out in White's grove yesterday. The occasion was very enjoyable.

Dr. Bolan and wife, of Butler, attended the Conservatory commencement. Their daughter is a pupil of the institution.

Wm. R. Peyton was made to furnish bonds in the sum of \$300 to keep the peace yesterday. He was tried before the mayor.

Professor Drake and wife, of Hillsdale college, Hillsdale, Mich., attended the commencement exercises of the Conservatory last night.

Building permits have been issued to N. V. Long, frame stable, lot 5, Williams addition; J. H. Miller, frame stable, lot 32, Rockhill's addition.

Mr. and Mrs. McMahon, of Van Wert, Ohio, parents of Mrs. T. J. Foster, are with her in her deep affliction. They arrived at 2 o'clock this morning.

John H. McCain, a pillar of the Methodist denomination, and family, accompanied his Sunday school class to Rome City yesterday. John caught thirty fish.

In the superior court the Fort Wayne National and Hamilton banks have brought suit against P. A. Randall and S. F. Swayne on bond. Demand, \$5,000.

Joe Brown, of Warren, Pa., and one of the best professional ball players in the country, has been engaged on salary by Manager Aronson for second baseman in the Golden Eagle club.

Harry Breisfeld has leased of F. B. Vogel the building lately occupied by the justice office of Wm. T. Pratt and the Sunday Mail. The building is now being remodeled, and will be occupied as a grain and produce exchange and pool rooms.

In Justice Pratt's court, Becker and Wile, the Columbia street hide dealer, are having a row. Wile was arrested for an assault on Becker. The racket grew out of a lively competition for a sheep pelt, for which Wile offered fifteen cents, and Becker a quarter. Constable Wilkinson made the arrest of Mr. Wile.

A painful accident occurred yesterday afternoon at Centlivre's brewery. Andrew Eichel, the brewer, had climbed on the top of a large kettle and fell therefrom, fracturing his jaw, and knocking out several teeth. Drs. H. S. Myers, A. P. Buchanan and G. L. Greenwalt's united services put the injured man in shape.

Last night Geo. W. Carter was found lying drunk on Main street, by a citizen. George said he lived in Kendallville, and had come here to see the boys. He saw them to the extent of his pile, and when unable to navigate they left him. Mr. Carter was assisted by the Good Samaritans, who directed him to a hotel.

Last night, at the Conservatory commencement, a young lady with a defiant expression of countenance, stood at the back of the hall and critically judged the exercises. This young woman might have been one of the participants, but having offended a teacher, was asked to apologize, and refused to do so, obstinately. Hence as a punishment, her name was left off the programme.

Mr. A. C. Katt, the popular young bachelor newsman, has made an offer which we recommend to the consideration of the Fourth of July committee. The offer is to go up in the balloon and be married, provided that the committee will furnish him some eligible girl, or one will volunteer; also, if Justice Pratt will go along to perform the ceremony. Mr. Katt has no particular desire to harness himself in matrimonial chains, but his enterprising spirit is in arms because out of town journals stir our balloon arrangement and seemingly intimate that so young man has the nerve to ascend. Katt wishes to mention himself as a candidate for matrimony.

The costs in the Foster inquest were \$17.

M. V. B. Spencer, wife and sister cooled off at Rome City yesterday.

Temperance meeting to-morrow afternoon at the church of the Good Shepherd at 8:30 o'clock.

This afternoon there will be fun at the fair ground. The cigar makers' base ball club, of Warsaw, play a nine of cigar makers in this city.

Miss Maggie Shiveley, of the Conservatory, went home to Henry county to-day. It is hardly necessary to say that one young man is more or less plunged in gloom.

Van Wert Times: "Mr. B. D. Angell, of Fort Wayne, is in the city looking after his business interests here. He is a partner in lumber business with E. W. Strack."

The Wabash has issued a very elaborate folder giving descriptions, handsomely illustrated with wood cuts, of the various summer resorts reached via its line.

But a very short time ago Dr. B. S. Woodworth was called to treat the late Senator Foster, who had been drinking excessively, though able to attend to his duties in a certain way.

The indications for the lower lake regions are local rains, partly cloudy weather, southerly to westerly winds in southern to eastern portions, lower barometer, with stationary or slight rise in temperature.

Rev. Dr. J. R. Stone has accepted the call of the First Baptist church of Lansing, Mich., to take effect August 1. He leaves for that city the middle of next month. As yet the church here has taken no steps to secure a successor to Dr. Stone.

While in St. Louis a few days ago the immortal J. N. was presented by Vice President J. C. Gault, of the Wabash, with an annual pass over all the company's lines. The pass reads: "Pass J. N. and one on account of truth and reconciliation."

County Superintendent Hillvass to-day beams upon a large array of pretty school ma'ams clad in virgin white. The regular monthly examination of county teachers is in progress at the court house under the superintendent's supervision.

The republican congressional committee met yesterday afternoon in the United States courtroom, Kendallville, was fixed on as place of holding the convention, and August 3d named as the date. A number of prominent republicans were present from all over the district.

The Kendallville Standard says: "Supreme Judge James L. Worden, who is now serving on his nineteenth year in the above named capacity, was last Saturday, nominated as a candidate for the superior judgeship of Allen county, by the democratic convention in Fort Wayne."

The Marion Democrat pays the following compliment to Platt J. Wise, of this city: "Platt J. Wise, of Fort Wayne, candidate for clerk of supreme court, was in Marion on Tuesday. He has been a resident of Allen county for thirty-seven years, and as he is yet in his prime, should be nominated, he will poll the full strength of his party."

Dave White tried to tell the boys this morning that he didn't want that peacock and muttering something about the d-d bird waking him up mornings by its screeching. Jay Phillips at once convinced Dave that a peacock is the most melodious songster of any of the feathered tribe and Mr. White now says that if the boys don't vote him that peacock he'll lick every one of 'em.

We have received from our old friend, Thomas O. Thompson, formerly city editor of the Chicago Times, now Mayor Harrison's private secretary, a very valuable and interesting little compilation of his own, entitled, "Food Frauds," in which some simple methods are given for detecting adulterations in what we consume. The little book costs but 25 cents and is most valuable as a work of reference. Sent on application to Mr. Thompson, mayor's office, Chicago.

Shoved a Bad Bill.
Yesterday, a female named Jennie Michaels, who keeps a low brothel in Bloomington, called on Chief of Police Diehl, and stated that a young man named John Phelps or Phillips, formerly employed as a blacksmith by Ed Fogarty, had paid a visit to her den, met one of the "ladies" and after leaving her company was indebted to the house in the sum of \$2. In payment, the young man tendered a \$20 dollar bill and received \$18 in change. On going to make some purchases, the dizzy dame found the bill was a queer one. Capt. Diehl arrested Phillips who was taken before United States Commissioner Harper, and the youth managed to prove that he had no criminal intent but found the bill on the street, and supposed it to be genuine. He was admonished and discharged, first having paid the bill to the house.

The terribly oppressive weather of last evening interfered somewhat with the standard of attendance at the fair, still a goodly crowd perspiringly enjoyed themselves and a jam is expected to night. The wagon donated by H. G. Olds and voted to the most popular coal dealer was secured by James Fox, who received 1,726 votes. Wilding & Son got 642 votes and M. Baltes, 20. Mr. A. C. Trentman has donated to the National booth a peacock to be voted the most popular old bachelor. Dave White, who has a great admiration for peacocks and lies awake at night to hear them warble, is ahead and will unquestionably get the bird. If he didn't, his heart would be broken. At least that's what Gus Trentman, George Mullen and Jay Phillips say. Other contestants are Joe Clark, E. Smedley, (who it is said will be ruled out because he is a widower,) Fred Drake, Dave Spencer, O. L. Perry, (who has masarimonal intentions) and Will Cooper are other candidates but they haven't the fond affection for peacocks that White has, and ought to with draw in Dave's favor. Herman Sieman took the prize for the heaviest man, weighing a trifle over 200. Will Tyler, was the most attenuated, hitting the beam at 108½. A silver cup will be voted to-night to the most popular clothing man.

Foster's Finances.
There can be no question but that the late Senator Foster's business affairs were not in the best of shape. Whether this had anything to do with his rash act cannot now be told. The Journal establishment is said on good authority to owe numerous bills to paper houses and type foundries, but we cannot state further particulars. On record in the recorder's office are two chattel mortgages unsatisfied. One is executed February 27, 1882, to Charles McCulloch on printing press, type, boiler, engine and other paraphernalia of the Journal office for \$300. Another on the same material is for \$660, and the mortgagee is Danford Parker, of Perry township. The instrument is dated January 3, 1880. A mortgage for some \$700 to William Keough is satisfied.

It is probable that the Journal will be sold, the debts satisfied and what is left, if anything, turned over to the widow. Mr. J. C. Beeks tells us the paper will issue Monday as usual.

Over Ruled.
Judge O'Rourke this morning over ruled the motion for a change of venue from Allen county in the case of the State vs. Hiram O. McDowell, charged with abortion. The state submitted an affidavit with 121 signatures to the effect that McDowell could get a fair trial in the criminal court of this county. This was off set by an affidavit with 265 signatures, that defendant could not be tried fairly here owing to the prejudice created against him by unfair mention of this and other criminal cases brought in which he was defendant. The case was set for trial next Monday before Judge O'Rourke. Subpoenas were issued to-day for a number of newspaper men.

RELICIOUS.
Dr. Stone will occupy his own pulpit to-morrow at the usual hours.

The usual services will be held at the Universalist church to-morrow morning at 10:30. Sabbath school at 12 m. No evening service.

THE PEOPLE ADVANCING ALL ALONG THE LINE.

Drs. Frothingham and Kingsley of the Grand Rapids English Medical and Surgical Institute, 65 Monroe street have arrived in our city and have established a branch at 34 West Main street, Anrecht's block, Fort Wayne, where our many citizens now under their treatment can consult with them; also any who may wish can obtain the benefit of their accurate diagnosis of their diseases without questions and free of charge, thus giving every one the privilege of their unprecedented experience in their specialty, without the heretofore long journey to their Institute in Grand Rapids. For the past three years no frequent and imperative have the demands that they should personally visit their many patients in our city, and Northern Indiana, that they have at last consented, and will charge nothing for all those coming under their treatment the first 20 days. Drs. F. & K. astonish all by the accuracy of their diagnosis, which amount almost to intuition; they locate every ache and pain; explain how and why the disease or ailment was contracted, and demonstrate how it can be eradicated and in what length of time; these facts are said by their patients to be marvelous. The question is now, "can we be cured?" Drs. F. & K. take no cases pronounced by them incurable, but state the case in the patient. They have no time for experiments; their time is all occupied treating those they can cure.

A thousand testimonials from Grand Rapids can be seen at their office, some of which we would print had we room. June 8 dawn. FELLOWS NO. 34 WEST MAIN STREET.

Office of The Bond Bakery And Flour Store.
ALL LOVERS of good wholesome bread are requested to try BOND'S INDIANA PATENT FLOUR, which is of SUPERIOR QUALITY.
This Flour, for which we have the exclusive agency, is made in CENTRAL INDIANA, by the new PATENT GRADUAL REDUCTION SYSTEM OF MILLING, by which process the germ is removed from the wheat without being broken, and in a similar manner the bluish dirt in the crease of the berry is taken out before the wheat is reduced to flour. Another IMPORTANT FACT is that no small particles of bran are produced by this system and consequently are not found in the flour.
THESE FACTS account for its WHITENESS, and as it possesses all the strength and nutriment of the wheat. BREAD made from it is LIGHT, WHITE, AND WHOLESOME. We claim that this flour contains all the constituents of wheat necessary for making BLOOD, FLESH, BONE AND MUSCLE. The waste parts of the berry are thrown out, and the only nutritious portion retained. THE BREAD MADE FROM THIS FLOUR REMAINS MOIST AND SWEET FOR A LONG TIME.
We are selling large quantities of Bond's Indiana Patent Flour, and without exception our customers have pronounced it the best they have ever used. The price is very low for this grade, being only \$7.50 per barrel; 4 sacks \$1.88; 3 sacks, 94c, at which price you can procure it of YOUR GROCER, or at the Bond Bakery and Flour Store, 96 Calhoun Street.
We also keep on hand a full stock of
The POPULAR ESOMOND FLOUR AND THE BEST PATENT MINNESOTA SPRING WHEAT FLOUR.
Our object is to please all, and we find that with these three popular brands of flour we have no difficulty in so doing.
We guarantee all of our flour to give satisfaction or refund the money.
